It is proposed that cash and other benefits received as consideration for "restrictive covenants" entered into in connexion with an office or employment shall be charged to sur-tax for 1949-50 and subsequent years, the charge being based on the value of the benefits "grossed up" by reference to the standard rate of income tax.

## CUSTOMS AND EXCISE

## Customs

Beer.-It is proposed to alter the Customs duties on beer (other than black beer, \&c.) so as to increase the basic gravity by three degrees and reduce the basic rates of duty by $2 s .6 d$. per barrel of 36 gallons. The change will apply to all beer imported or delivered from bonded warehouse on or after 19th April, 1950.

The proposed duties, compared with the existing duties, are given in the following table:-

Subject in each case to an additional duty of 10 d . per 36 gallons, of any gravity, consequential on the hop duty.
