Do you need detailed Product Information?

Do you know about **BUSINESS MONITORS?**

Business Monitors are designed for businesses and others undertaking market research of all kinds. They provide statistics on manufacturing, energy, mining, service and distributive industries. The **CSO** regularly questions thousands of **UK** businesses on their output and performance. Some 800,000 inquiry forms are sent out each year, and the data are collated and presented by government statisticians using accepted statistical techniques.

There are over 300 titles in the series variously published at monthly, quarterly or yearly intervals. **Business Monitors** are the primary and often the only source of the information they contain.

Business Monitors can help you to:

- 
- Monitor business trends
 - Identify successful products
 - Assess your efficiency
 - Identify new markets
 - Pinpoint seasonal factors in your business
 - Market your products
 - Compare the price of your products with those of your industry or sector

HOW TO ORDER BUSINESS MONITORS

Ring the **CSO** Library on:

0633 812973 and ask for our information brochure, "HMSO Publishes for the **CSO**". This includes a complete list of **Business Monitors** and an order form.
